Letter No.621/4-30, dated the 18th February, 1931, from the Inspector of Schools, Coorg and Bangalore.

Please see paras 3 to 11 of the notes in file 89A/07.

The Inspector recommends a full grant of Rs. 1,380 to the Orphanage towards the purchase of two motor cars and a set of motor tools and for extending the manual training class shed and for putting in an entrance way for cars to come in and out. He says that he has reserved the necessary funds for this purpose in the current year's budget.

Perhaps a full grant of Rs. 1,380 or the actual cost, whichever is less, may be sanctioned under Articles 44(c) or(e) and 57 of the Code of Regulations for European Schools in the Civil and Military Station of Bangalore.

In notes 8 Mr Edmonds mentioned the possibility of meeting the cost by private subscription ; this was really the hope that Mr Stephens had of getting the money from one private benefactor who had helped the Orphanage in the past. But he had no luck,

As the scheme tends to relieve unemployment in a useful direction, you may feel able to accept it?

File No. 112/31

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

I have the honour to invite your attention to my remarks in the Inspection report of the Cantonment Orphanage, Bangalore, (Please see this No.2779/58-24, dated 19.8.30 and your No.7460/89A of 07, dated 19.9.30), in which I advocated the opening of a Motor Training class for the benefit of the bigger boys to train them up as motor driver-cleaners. I had consultations with the Correspondent of the School, who has accepted the idea and has applied for a grant of Rs. 1380/- for the purpose. I enclose his application herewith and request you to be good enough to obtain the Hon'ble the Resident's sanction to the payment of a full grant of Rs. 1380/- from the current year's allotment under "Account II-Education-B.Secondary-Grants-in-Aid to non-Government Secondary Schools-Building and Furniture grants" under which I have reserved the necessary provision.

2. A few words of explanation will be necessary on the items shown in the application form. Item 1 is an old useless car for which a merely nominal sum is being paid. This will be used for pulling to pieces &c for the boys to become acquainted with the different parts of the machanism. Item No.2- The Correspondent has arranged to purchase a serviceable car for Rs. 1000/-, which the boys will learn to clean and to drive making any repairs which are necessary from time to time. From this

model, the boys will learn the method of working of the different parts of the engine.

Items 3 to 5 :- The cost shown is only approximate and owing to the change in the Correspondentship of the School, the new correspondent was not able to obtain detailed estimates. I am, however, assured that the amounts will not be exceeded. I shall watch the work and satisfy myself, before payment of the grant, that everything has been done satisfactorily.

3. I have recommended a full grant as a special case under rule 57 of the Code of Regulations for European Schools the institution being an Orphanage and not being in a position to meet a grant of the cost.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.
